"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for all affections of the throat and lungs," says Hon. John S. Schuler, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overworked, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by all druggists in Abbeville. H. M.
